Special programmes for Primary 5 students

❖ *National Education Show*

Since 1997, the National Education (NE) show has been organised to bring about a sense of pride and belonging in our students and to bring across the significance of our National Day. Every year, the National Day Parade full dress rehearsals provide an opportunity for students to be involved in national celebrations. This year, our Primary 5 students will be attending the NE show in July. More details will be given later.

❖ *Primary 5 Camp*

Every year, our Primary 5 students look forward to their Primary 5 camp. Aimed to build camaraderie and bond students as a class, our students will also have the opportunity to develop their leadership skills and put into practice the 7 habits. The residential camp will be held from 30th July to 1st August 2018. More details will be given later.

❖ *Road Safety Training*

Students will go for a learning journey to the Road Safety Community Park on September 19th 2018 and September 20th 2018 where they will learn good road safety habits in a simulated traffic environment.

School – home partnerships

We value strong school – home partnership so as to work together to bring out the best in your children. We therefore seek your co – operation in ensuring that your child / ward attends all the programmes planned for them. We would also like to enlist the help of parents to volunteer as chaperons for field trips and other school activities and celebrations. Please indicate your interest in your child's / ward's handbook and hand it to your child's / ward's teacher if you wish to volunteer your service. This collaboration will lead to positive growth and development of our students.

We will also be inviting parents for a Breakfast Session with the Principal. The Primary 5 Breakfast Session with the Principal is scheduled on 18th January 2018. An introductory meeting with the form teachers has also been arranged on this day. We look forward to meeting you. A notification will be going out through your child / ward with further details.

Together with all the Primary 5 teachers, we look forward to working with your child / ward this year and help him / her achieve his / her full potential in the various areas of school life. Should you need further clarifications with regard to any programmes or any matters, please feel free to contact any of the Primary 5 teachers at 6766 1574.

Wishing you and your family a great year ahead!

Thank you.

Yours sincerely,

Mdm Francis Anita
