Dear Parents / Guardians of Primary 3 Students,

School Notification no. 6/2018: P3 Consortium Letter

A very Happy New Year to you! On behalf of all the Primary 3 teachers, I would like to welcome your child/ward back to school. I would also like to extend a warm welcome to our new students.

In line with the school's mission to bring out the best in every student by nurturing his/her strengths and potential, we have put in place various programmes for a varied and exciting learning experience for our students this year. Students will go on learning journeys where they will learn and gain knowledge in different settings. The varied learning experience will enable the students to use their multi-sensory skills to enhance and enrich their learning. Every alternate Monday, we have 'Form Teacher Guidance Period' (FTGP). This is a time where your child/ward will be given the opportunity to bond with his/her teacher. It also allows teachers to better cater to each student's holistic development, including their Social and Emotional Learning needs. The Primary 3 teachers will also be constantly using the school's 7 Core Values and Stephen Covey's 7 Habits of Highly Effective People. Through the learning of the Values and Habits, we hope to nurture your child/ward into a leader- both in the personal and social aspects.

We value strong school-home partnership so that we can work together towards our desired goals. We therefore seek your co-operation in ensuring that your child/ward attends the programmes planned for them.

We would like to encourage parents to be involved with their children in school. This collaboration will lead to positive growth and development of the children in becoming responsible citizens and be equipped with skills needed for the future. Therefore, we would like to enlist the help of parents to volunteer as chaperons for Learning Journeys and other school activities and celebrations. Please liaise with your child's/ward's Form Teacher should you wish to volunteer.
