

CHUA CHU KANG PRIMARY SCHOOL

EXCELLENCE THROUGH DISCIPLINE AND DILIGENCE

Monday 8th January 2018

Through Principal

To: All Parents/Guardians of Primary 1 Students

School Notification no. 1/2018: P1 Consortium Letter

A very Happy New Year to you! On behalf of all the Primary 1 teachers, I would like to welcome your child/ward to our school. In 2018, we hope to build the love and competency for schooling in your child/ward and we would like to highlight some of the programme lined up for the Primary 1 students this year.

A Primary 1 Transition Programme is planned to help the students bridge the gap between Preschool and Primary school and to create a positive start for them as they embark on a Primary school journey. Activities were put in place with the emphasis on building competency for literacy and numeracy, confidence in communication, life skills and social emotional competencies as well as relationship building.

We have Form Teacher Guidance Period (FTGP) every alternate Monday. This is a time where your child/ward will be given the opportunity to bond with his/her teacher as well as peers. Through fun games and activities, your child/ward will also be exposed to the school's 7 core values and Stephen Covey's 7 Habits. This is to provide a variety of opportunities for your child/ward to form meaningful and responsible relationships.

Students will experience, learn and be exposed to a different setting outside the classroom through learning journeys. These learning journeys will definitely enhance and enrich students' learning as they will be able to use their multi-sensory skills in such experiences.

The Programme for Active Learning (PAL) is an initiative to address the greater emphasis on non-academic programmes for Primary 1 and 2 students. PAL activities are experiential in nature and incorporate elements of fun and enjoyment. This will also facilitate students' well-rounded development and help in balancing knowledge with the skills and values.

Under the Programme for Active Learning (PAL), Primary 1 students will go through 3 different modules, i.e. Outdoor Education, Visual Arts and Performing Arts (Music). Each module will last for 7 sessions. On days where there are no PAL lessons, Form Teachers will conduct English and Mathematics lessons.
